SUBJECT: In-Car Camera Recording

On 17 September 2014, the R/I viewed an in-car camera recording from Beat 312 (Vehicle 8642) on 21 July 2014, 1701-1718 hours. At the time of the recording, Officers Martin Mulligan and Patzy Oropeza were assigned to that unit. The reporting party alleged that Officer Oropeza pushed her into a police vehicle following a traffic stop. The recording is viewable in Windows Media Player and does not have any audio recording.

At 1702 hours, the officers made a U-turn and followed a white Chevrolet a few blocks before stopping it. A white female uniformed officer (presumably Officer Oropeza) approached the driver's side of the vehicle while a white male uniformed officer (presumably Officer Mulligan) approached the passenger's side. The officers spoke with the occupant(s) of the vehicle for two minutes before returning to their own vehicle. At 1705 hours, the driver waved something out of the window. Officer Mulligan approached her and retrieved the item. The officers returned to the Chevrolet at 1709 hours and spoke to the driver until 1714 hours. The officers then stood between their vehicle and the Chevrolet and had a conversation. Officer Oropeza returned to the driver's door of the Chevrolet at 1715 hours. She is blocked from the camera because Officer Mulligan was between her and their police vehicle. Officer Oropeza is soon seen walking with the black female driver of the Chevrolet (presumably the reporting party, [REDACTED]). Officer Oropeza's hand is on [REDACTED] arm as they walked to the passenger side of the police vehicle. They left the camera's view. [REDACTED] is not seen again on camera. Officer Mulligan went to the Chevrolet and closed the driver's door before returning to the passenger side of the police vehicle. At 1518 hours, Officer Oropeza returned to the driver's side of their police vehicle while Officer Mulligan got into the driver's seat of the Chevrolet. Both vehicles left the scene at that point.

There are no other images on the recordings that are relevant to this investigation. The in-car camera for this vehicle would not have captured the actions that [REDACTED] alleged occurred during her traffic stop.
